Experiential Learning Week 20th -23rd March 2017
Information for Parents of S3 and S4 Classes

19th January, 2017

Dear Parents of S3 and S4 students,
Experiential Learning Week is from **20th to 23rd March 2017** and our theme is **Global Awareness in a Sustainable World**.

Each Study Visit has been customized to provide a unique and memorable learning experience for our students and they would be led by highly qualified and experienced English speaking instructors/ tutors who will work with our staff to plan and design the learning activities.

There will be an **Information Evening** for parents in February, when we will explain the learning targets, accommodation, travel plans as well as the cost of each Study Trip. The evening for S3 and S4 will be on **8th February (Wednesday)** starting at 6:00pm. The Information Evening will take place in the School Hall.

All study trips destinations are as follows:

- Oki Island, Japan (5 days 4 nights)
- Seoul, Korea (5 days 4 nights)
- Taitung, Taiwan (4 days 3 nights)

The aims of all Study Trips are to:

- Have a better understanding of the world by comparing life in another place with life in Hong Kong
- Understand what makes another place unique and different, and why people enjoy living there
- Understand how people manage and care for the environment
- Learn how to be an independent learner and be a team player
- Actively participate in a challenging learning experience
- Have a personal experience of meeting people from different backgrounds
- Make our students curious about the world outside Hong Kong

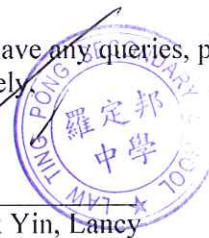

It is essential for all students to participate in these Study Trips because what they learn is closely linked to what they study in school. Parents are advised to make sure their child's travel documents are up to date.

Students from family in need can apply for full or half subsidy from "School-based After School Learning and Support Programmes" or "HKJC Life-wide Learning Grant". Please submit the application letter along with relevant documents to Miss Victorine Au upon application. Should you have any queries of the scheme, please feel free to contact Miss Au in the General Office at 2685 1210.

Should you have any queries, please feel free to contact Mr. So Ka Fai at 2638 6939.

Yours sincerely,

Ms. Tam Suk Yin, Lancy
Principal
