### Rationale of Cross-Curricular Activities (CCA) in LTPSS

- Cross-Curricular Activities (CCA) take care of the students' different developmental needs such as their sense of moral values and attitudes, skills and creativity. Through their participation in CCA, students can learn to communicate, to cooperate with other people and in addition to enrich their life experience. If students are given the opportunities to organise CCA, they will gain first-hand experience of programme planning and leadership, thus enabling themselves to discover and develop their potential.

### Aims of Cross-Curricular Activities (CCA) in LTPSS

- Reinforcing classroom learning and allowing students to put their knowledge and skills into practice;
- Facilitating the teaching of certain skills and the inculcation of certain values which may present difficulties in a formal classroom setting;
- Promoting students' personal development by broadening their interests, developing their potential and providing opportunities for character formation and leadership training;
- Promoting students' social development by offering opportunities for the broadening of their social experiences, the practice of social skills and the internationalisation of moral and social values; and
- Making school life more challenging and interesting.

### General requirement:

- **All S1 – S3 MUST choose one Friday CCA Clubs**, exemption will be given to students who are members of school teams, like School Choir, SchoolBand, School sports teams, etc. (school teams with regular trainings),
- Students who obtain satisfactory academic performance, can choose two CCA or more.
